Dear *Level shots*

I am writing to inform you of my success in New Zealand where we, the ladies team, gained a gold medal at the World Championships. It was an amazing experience and has given me the opportunity to appreciate how different the targets were to over here. I was once again very proud to be representing my country

I would again like to thank you for your contribution towards my trip it was very much appreciated, without it I would not have been able to partake in the event.

Many thanks

Rosie Brumby
