Dear Mr Cumber,

Thank you for your support of Jerry Green Dog Rescue and your kind donation of £250.00. We really appreciate the Lincoln Level Shots group thinking of us when distributing the funds you raise throughout the year.

Changes to Jerry Green Dog Rescue this summer include our North Yorkshire centre's refurbishment. Our dogs are really enjoying the new training barn and Meet & Match areas where they can get to know potential new owners away from the hustle and bustle of the kennels. We are also proud to announce the opening of the new veterinary suite at our North Lincolnshire centre, a facility that allows us to perform operations on site, significantly improving welfare for the dogs in our care.

Jerry Green Dog Rescue will be at the Osberton Horse Trials from September 27th-30th near Worksop. We are so excited to be involved with this event, if you are attending this year, come say hello to the Jerry Green volunteers at our stall! We will be running a Fun Dog Show on Saturday 29th. Why not bring your dog and enter into the fun, raising much needed funds for Jerry Green Dog Rescue in the process.

Watch our website www.jerrygreendogs.org.uk for information on upcoming events coming up near you!

On behalf of all the dogs in our care and the staff that work so hard to rehome them, thank you!

Yours sincerely,

Jenny Harris
Fundraising Team

One in three of the dogs we home is funded from gifts in wills
